A group of students flying to Malta in April 2010

"My name is Marta Adamiak.

I am 17. I am in the first year 1 in the Secondary School.

I am interested in music, art and foreign languages."

About myself:

"My name is Paulina. I attend the Secondary School and I am in the second year. I love music — it's my passion. I like animals and nature. In my spare time I like playing the saxophone. I also enjoy spending my free time with my friends and family. I love smiling;—)."

About myself:

"My name is Małgorzata. I am ambitious but on the other hand I am very lazy. I often change my mind and I am also very stubborn. I love singing and doing everything which is connected with music. I like animals (cats are my favourite). I enjoy taking pictures and reading love stories. I like having a lot of friends around me. I am looking for warmth and harmony in the world. I don't like spiders and French fries from McDonald @"

About myself:

"My name is Jolanta Pietrowska. I like listening to music and reading books. I like swimming and meeting with my freinds in my spare time. I also like going to the parties, danicng and meeting new people."
